

Valley Light Gallery

PV DESIGN
CENTER
simplify the process

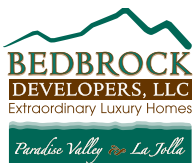

Valley Light Gallery has been the Valley's premier source for builders and designers for nearly 40 years. They are pleased to be a valued member of the PV Design Center team of exceptional vendors.

Valley Light Gallery's knowledgeable and passionate staff is ready to help you find the perfect lighting solutions for your home. With combined experience of more than 100 years, they have a long history of providing exceptional customer service before, during

and after the sale. Whether it's a remodel or a custom build, they have what you need— on budget, on time, with no hassle.

VLG offers one of the largest lighting selections in the Southwest, both on display and in-stock—ready to deliver. The 10,000- square-foot showroom features lighting hand-picked from more than 400 leading manufacturers in a wide array of styles, including Contemporary, Traditional, Tuscan, Old-World and Urban.
